

## European Trade Media Distribution Points

**Automotive Trade Add On**  
Marketwire's Automotive trade list sends your press release to the most important automotive trade magazines, editors, websites and newswires throughout Europe. All of our trade lists are available individually or as add-ons to any of our geographic European circuits. Releases will be distributed in English.

Marketwire reaches multiple editors per publication. Full contact details available from Mediahub. Contact your Account Executive for more details.
