

Global Complete Distribution Points

Global Complete will take your message from your desktop to the world--literally. We have bundled our broadest international distribution products into one comprehensive package, so you can take advantage of our excellent international distribution for one low cost. It includes full US National distribution, which, as always, insures your release is sent to wire services and financial terminal systems, top web sites, trade and consumer publications in a vertical industry of your choice as well as top newspapers and broadcast outlets. Global Complete includes distribution to US, Canadian Timely Disclosure, Latin America, Europe, Pan Asia and Africa. Translation into French, German, Spanish, Portuguese, Traditional and Simplified Chinese, Japanese and Korean. Satisfies full disclosure in both the US and Canada.
