

West Region Distribution Points

From traditional to new media, who you want to reach is covered with Marketwire. This distribution puts you in front of newspapers, broadcast outlets and relevant industry trade publications within the West region. It also includes real-time, full-text delivery to Web sites and databases, to the AP and Dow Jones newswires, and to national publications such as The New York Times, Wall Street Journal and USA Today. Online media points listed, given the Internet's ever-growing, ever-changing landscape, may not reflect all that are currently included. Likewise for Marketwire's trade publications and newsletters, which are unique to each industry. To obtain the most up-to-date, complete distribution detail, please contact your Marketwire account representative.

The list below is a sample. For a complete list, contact your Marketwire representative at 800.774.9473 or 310.765.3200.
