

Regulatory Filing:

Satisfy your disclosure needs

You need a newswire partner that gets it right the first time, every time. You need someone who listens to you and can accommodate your company's ever-growing needs. You want someone who fully understands the fast-paced, tightly regulated and often confusing environment we work in, and who can help you clear the clutter to communicate more effectively. And you want it all to be easier.

We understand. It's why we've performed thousands of regulatory filings on behalf of our clients worldwide. We help you effectively meet mandated requirements and represent your company to shareholders, analysts and the media.

Marketwire is recognized by the Securities and Exchange Commission (SEC), the Toronto Stock Exchange (TSX), and the UK's Financial Services Authority (FSA). Let us assist with your EDGAR, SEDAR, and UK regulatory filing as well as TOD services and XBRL conversion. Marketwire's one-stop filing solution guarantees your company complies with mandated filing requirements. And our in-house filing representatives pride themselves on accuracy, superior client service and competitive pricing.

EDGAR Filing

Marketwire provides a one-stop, hassle-free solution for all your EDGAR filing needs. Knowing that many filing decisions are made on the actual day of filing, our experienced client services team is well-equipped to provide a quick turnaround for all EDGAR forms. Furthermore, by combining your 8-K filings with your material press releases, Marketwire now makes it easier than ever to meet SEC requirements, including both Regulation FD and Sarbanes-Oxley regulations.

With Marketwire's EDGAR filing service, you can submit your document in almost any format using our secure submission process. Our experienced Client Services team will convert your documents into the required SEC format and send you a proof of the filing for your approval. After making any required changes, they will then file the document with EDGAR for you. After submission, you will be provided with confirmation from EDGAR that your document was accepted. Our simple pricing structure eliminates all of the guesswork on your end, and our quick turnaround time eliminates any worry.

SEDAR Filing

Marketwire is an authorized SEDAR filing agent and has performed thousands of filings on behalf of our clients since the inception of the Canadian regulatory system more than a decade ago. Our experienced Client Services team will convert your English and French documents into the required formats and send you a proof of the filing for your approval. After making any required changes, they will then file the document with SEDAR for you and after submission, you will be provided with confirmation that your document was accepted. Marketwire staff can also provide you with information on filing fees, deadlines, document formatting, etc.

of every minute.

UK Regulatory Filing

As an approved primary information provider (PIP) by the Financial Services Authority (FSA), we're able to disseminate news and regulatory announcements to secondary information providers (SIPs) in the UK including AFX, Bloomberg, Dow Jones, Reuters and Thomson Financial.

Marketwire's Regulatory Disclosure options are designed for companies traded on the London Stock Exchange (LSE) to expertly meet mandated disclosure requirements. Your financial news and related information is delivered to all of the secondary information providers (SIPs), financial media, investment professionals and electronic databases.

Effective Pan-European disclosure via our Transparency Obligations Directive (TOD) services is also available.

Custom IR News Pages

Let Marketwire streamline your IR workflow. Our custom IR pages provide Marketwire clients with an efficient and cost-effective way to manage the news release pages of your website, allowing you to communicate accurately and in real-time with your investors and other stakeholders. News releases, photos, financial documents and other information integrate seamlessly and simultaneously into your website. As soon as information goes over the wire, it's posted to your own website – instantly and error-free. Best of all, these pages are maintained by Marketwire, so while we ensure your compliance, we also ease your workload.

Take advantage of a full suite of IR tools and resources that make it easier to accurately communicate with the right people at the right time. Call Marketwire today.
